Community Indicators

- Increase the proportion of Indiana school districts that support and implement a comprehensive school strategy against tobacco use.
- Proportion of tobacco free campus policies for hospitals, health care centers, and clinics.
- Proportion of school districts with tobacco-free campuses.
- Extent of tobacco control policies on university/college campuses. This includes indoor and outdoor spaces such as student housing, classroom buildings, and athletic facilities.
- Extent of promotion of the Indiana Tobacco Quitline
- Proportion of health care providers and health care systems that have fully implemented the Public Health Service guidelines for cessation.
- Extent of participation by partners within the broad-based coalition.
- Extent of participation by groups representing disparately affected (i.e. hard to reach) populations in the community.

Funding

- Funding for July 2009- June 2011: \$200,000
